Due to all of the exciting new products that were revealed in 2017, we have just released our 2017 Feature Product Supplement displaying some new products such as our:

- **LED Panel lights**, bright and powerful - these panel lights deliver a smooth, flawless wall of illumination without visible bulbs or hot spots.
- **LED Tri-Proof fixtures**, these Water-Proof, Pressure-Proof and Dust-Proof lights are an attractive, energy efficient and durable lighting solution to replace traditional linear fluorescent luminaires.
- Brand new **LED Decorative Line** including our Ceiling Lights, Vanity Lights & Wall Sconces, creating tremendous energy savings while providing designer quality light solutions.
- Expanded line of **LED Thin Line downlights**, including our Square downlights with a round mounting base, and our surface recessed square and round downlights!

This catalogue also features our award winning LED Task Star Pro, colour changeable under cabinet lighting and our exciting new Dimmer & Driver in one [Switchex!](#)

If you haven't already received a copy of this exciting new literature please give us a call or send an e-mail to lights@magiclite.com.
