

## Specifications

**Voltage:** 12VDC

**LED Module Specifications:** 12VDC, 45mA,

**Watts:** 0.24 Watts

**Average LED Life:** 50,000 hours

**LED Colour:**

**Cover Finish:**

**Barrel Finish:** Aluminum

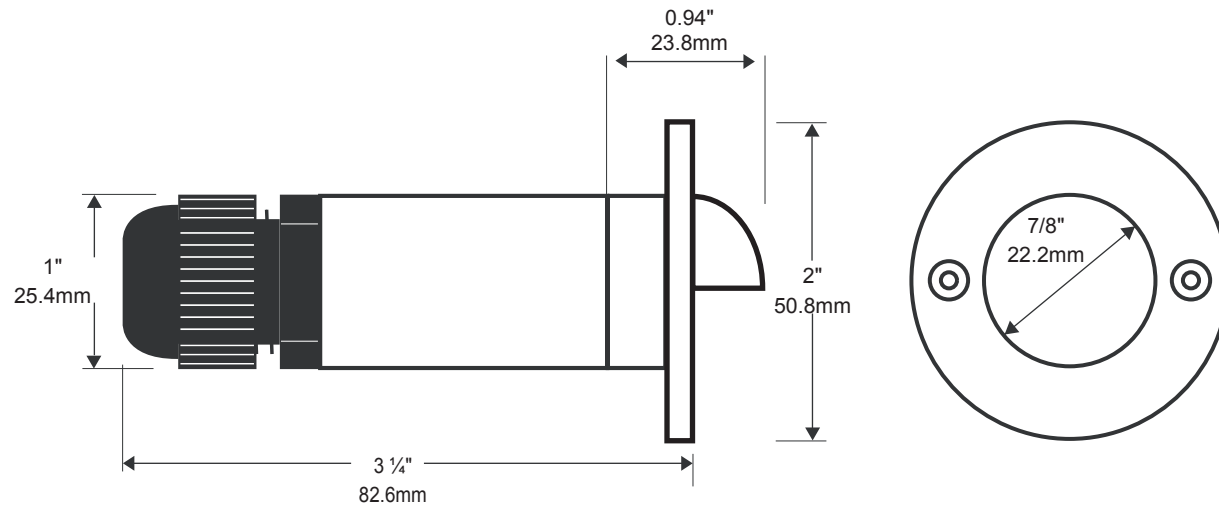

**Packaging** Individually packaged in 2 colour corrugated box3

**Contruction:** Both cover and barrel are die cast aluminum for corrosion protection, strength, weight and consistency of finish.

**Lens:** Frosted Tempered Glass

**Wiring Options:** LW-18G-CL2 for all in-wall applications.  
LW-18G-BUR for all burial applications.

**Agency Approval:** cUL listed and labeled for wet, IC, ceiling, wall and direct burial applications.
